

Peekapak at Home

Dear Parent or Guardian,

This year, we will be using Peekapak in our classroom. Peekapak helps teachers and parents work as **partners in your child's education** as they learn important life skills (such as gratitude, perseverance, and empathy), along with reading, writing, communication, and creativity.

Each month, I will read a new story in class that focuses on a life skill and introduce activities that strengthen your child's learning. After, I'll send you the book we were reading (so you can read it together), and fun at-home discussion questions you can do with your child to reinforce what I'm teaching.

I'd like all families to join me and sign up for Peekapak. It's a **free** online platform that can be accessed on your mobile device and online at www.peekapak.com.

I will need your email to invite you to Peekapak. Our class goal is for every parent to fill out and return the slip below by the end of the week! Feel free to ask me any questions.

Sincerely,

Please send me my invitation to Peekapak!

I would love to receive free digital books and discussion questions.
